## THE ESSENTIAL STUDY SKILLS COURSE

The Essential Study Skills Class is a 5-session (2 hours each) program and is recommended as the starting place for all 6th through 12th graders who desire to learn how to better plan, manage, organize and complete their work.

## THE HOMEWORK CENTER

The Homework Center is a Coach-Supported Environment where students are provided the structure, skills and support to complete their assigned work. A Work Plan will be completed during each visit to instill good habits as well as provide visibility to parents and stakeholders.

## 1:1 / PRIVATE COACHING

1:1 / Private Coaching is done by a certified learning specialist to provide a more personalized approach to helping a student create a weekly study plan along with individualized strategies to approach and complete their work.
